

Recommended Curriculum for Future Veterinary Students

This is a suggested four-year plan for students who plan to attend a University of California school or a private university.

Freshman

Physical Education
English 1 or Honors
Algebra/Geometry/CPM 1
Social Studies
Foreign Language
Academic Elective (Academic Biology)

Sophomore

Physical Education
English 2
Algebra 2-Trigonometry/Geometry/CPM 2
World History
Foreign Language
Academic Biology/Academic Chemistry

Junior

English 3 or English 3 Honors
U.S. History/U.S. History AP
Geometry/Pre-Calculus/Algebra II Trig/CPM III
Foreign Language
Chemistry/Biology AP/ Physics
Elective

Senior

English 4 or English 4 AP
Am. Gov./ Politics AP
Pre-Calculus/Calculus AP/Statistics AP
Foreign Language
Physics/Biology AP/Chemistry AP/Physics AP
Elective

As a High School Student, you should know that earning good grades in Honors, AP, and "hard" academic Courses will improve your chances for success whether or not you become a Veterinarian!

Lower Division Required Sciences

Two courses of Biological Sciences/one with Lab (UCD)
One course of Biological Sciences (WU)
One sequence of General Chemistry with Lab (UCD/WU)
One sequence of Organic Chemistry with Lab (UCD/WU)
Two courses of Physics (UCD)
One sequence of Physics with Lab (WU)

Upper Division Required Sciences

One course of Biological Sciences with Lab (WU)
(includes physiology or embryology)
One Course of Biochemistry (UCD/WU)
One course of Systemic Physiology (UCD)
One course of Vertebrate Embryology (UCD)
One course of Genetics (UCD/WU)
One course of Nutrition (WU)
One course of Microbiology (WU)

Additional Required Courses

One course of Statistics (UCD/WU)
Two courses of English (UCD)
One course of English Composition (UCD/WU)
Three courses in Humanities/Social Sciences (UCD/WU)
One courses of Computer Skills (WU)
One course of Technical Writing (WU)
One course of Public Speaking (WU)

Listed are courses required by UC Davis School of Veterinary Medicine (UCD) and Western University of Health Sciences School of Veterinary Medicine (WU) – contact schools directly for most recent admissions requirements. As a college student, it is important to be certain that the courses you take are transferable and/or recognized by the Veterinary School you are hoping to attend!

High School
College

Necessary Application Requirements for Admission to:

(Contact schools directly for the latest admission requirements.)

UC Davis School of Veterinary Medicine

www.vetmed.ucdavis.edu/admission/admission.html

- Successful completion of the coursework listed above. (A minimum GPA in required science and cumulative college work of 2.50)
- Completion of the Graduate Record Examination (GRE)
- Personal Statement (Narrative essay about your desire to become a veterinarian).
- Letters of Evaluation
- Interview
- Animal related experience – 180 hours of experience with animals. A portion of this should include working with a veterinarian.

(Note: It is not necessary for an applicant to be a member of a school project, class or club, in order to gain this experience with animals and/or veterinarians.)

Western University of Health Sciences – School of Veterinary Medicine

www.westernu.edu/cvm.html

- Successful completion of the coursework listed above.
- Completion of the Medical College Admissions Test (MCAT) or Graduate Record Examination (GRE).
- Personal Statement (Narrative essay about your desire to become a veterinarian).
- Letters of Evaluation
- Interview
- Animal related experience – 500 hours of experience with animals. A portion of this may include working with a veterinarian, working in a commercial animal production facility, animal entertainment or research environment
